

DIAM

* Red symbols denote internal characteristics (fractures), green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of inclusions are not shown.

The results documented in this report refer only to the diamonds described, and were obtained using the techniques and equipment available to GIA at the time of examination. This report is not a guarantee or valuation. For additional information and important limitations and disclaimers, please see GIA's terms of sale. For more information, call 1-800-421-7250 or 1-760-693-4560.
