|          |                     |                  |                  |                 |                 |                 |                 |                |                |                |

- Feather
- Natural
- Crystal
- Extra Facet
- Etch Channel
- Indented Natural

\* Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of finish are not shown.

The results documented in this report refer only to the diamond described, and were obtained using the techniques and equipment used by GIA at the time of examination. This report is not a guarantee or valuation.
