#### PROPORTIONS

Profile to actual proportions

# CLARITY CHARACTERISTICS

### KEY TO SYMBOLS\*

**√** Feather

Indented Natural

Crystal

Cavity

\ Needle

### \* Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of finish are not shown.

#### FACSIMILE

This is a digital representation of the original GIA Report. This representation might not be accepted in lieu of the original GIA Report in certain circumstances. The original GIA Report includes certain security features which are not reproducible on this facsimile.
