Diagram illustrating the cross-section of a diamond-shaped structure, showing dimensions and features:

- Top thickness: 10%
- Top width: 70%
- Left height: 54.5%
- Right height: 68%
- Bottom shape: Pointed
- Text label: Medium To Slightly Thick

Red symbols indicate internal characteristics.
Green symbols indicate external characteristics.

The laboratory growdiamond described in this Report (Report) has been graded, tested, analyzed, examined and/or inscribed by International Gemological Institute (I.G.I.). A laboratory grown diamond is one that has essentially the same chemical, physical and optical properties as a natural diamond. I.G.I. is a laboratory owned and operated by a man (a manufactured product). I.G.I. employs and utilizes those techniques and equipment currently available to I.G.I., including, without limitation, 10X magnification, corrected triplet loupe, binocular microscope, master color comparison stones, non-contact optical spectrometer, and/or other instruments and/or processes as deemed appropriate by I.G.I. This Report includes advanced security features. A duly accredited gemologist or jeweler can advise you with respect to the importance of and interrelationship between cut, color, clarity and carat weight.

THIS REPORT IS NEITHER A GUARANTEE, VALUATION, NOR APPRAISAL OF THE GEMSTONE DESCRIBED HEREIN. PLEASE REVIEW THE LIMITATIONS AND RESTRICTIONS SET FORTH ONLINE FOR THIS REPORT. IF YOU HAVE ANY QUESTIONS, COMMENTS, OR CLAIMS, PLEASE GO TO WWW.IGI.ORG OR CALL 1-888-BUY-IGI.

LASERSCRIBESMThe image features the official seal of the International Gemmological Institute (IGI) on the left. The seal is circular with a serrated, sunburst-like border. Inside the border, the words "INTERNATIONAL GEMMOLOGICAL INSTITUTE" are written in a circular path. In the center of the seal is a stylized diamond shape composed of concentric lines, with the letters "IGI" below it and the year "1975" at the very bottom. To the right of the seal is a square QR code. The entire graphic is set against a light gray background that features a large, faint watermark of the IGI seal.
