## LABORATORY GROWN DIAMOND REPORT

|                         |                          |
|-------------------------|--------------------------|
| January 13, 2026        |                          |
| IGI Report Number       | LG765609369              |
| Description             | LABORATORY GROWN DIAMOND |
| Shape and Cutting Style | OVAL BRILLIANT           |
| Measurements            | 9.36 X 6.65 X 3.97 MM    |

## GRADING RESULTS

|               |            |
|---------------|------------|
| Carat Weight  | 1.54 CARAT |
| Color Grade   | E          |
| Clarity Grade | VS 2       |

### ADDITIONAL GRADING INFORMATION

|                |                                                                                               |
|----------------|-----------------------------------------------------------------------------------------------|
| Polish         | EXCELLENT                                                                                     |
| Symmetry       | EXCELLENT                                                                                     |
| Fluorescence   | NONE                                                                                          |
