## LABORATORY GROWN DIAMOND REPORT

|                         |                                                |
|-------------------------|------------------------------------------------|
| February 14, 2026       |                                                |
| IGI Report Number       | LG774672159                                    |
| Description             | LABORATORY GROWN DIAMOND                       |
| Shape and Cutting Style | CUT CORNERED RECTANGULAR<br>MODIFIED BRILLIANT |
| Measurements            | 10.50 X 7.06 X 4.83 MM                         |

## GRADING RESULTS

|               |             |
|---------------|-------------|
| Carat Weight  | 3.07 CARATS |
| Color Grade   | D           |
| Clarity Grade | VS 1        |

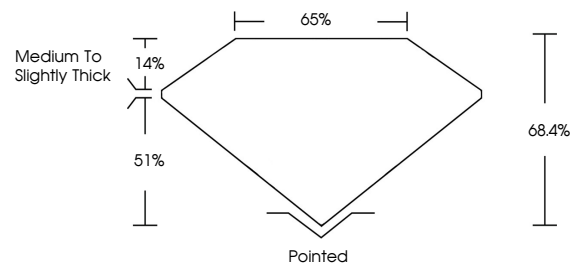

### ADDITIONAL GRADING INFORMATION

|                |                                                                                               |
|----------------|-----------------------------------------------------------------------------------------------|
| Polish         | EXCELLENT                                                                                     |
| Symmetry       | EXCELLENT                                                                                     |
| Fluorescence   | NONE                                                                                          |
