## LABORATORY GROWN DIAMOND REPORT

|                         |                          |
|-------------------------|--------------------------|
| February 28, 2026       |                          |
| IGI Report Number       | LG778628778              |
| Description             | LABORATORY GROWN DIAMOND |
| Shape and Cutting Style | ROUND BRILLIANT          |
| Measurements            | 6.43 - 6.49 X 4.04 MM    |

## GRADING RESULTS

|               |            |
|---------------|------------|
| Carat Weight  | 1.03 CARAT |
| Color Grade   | E          |
| Clarity Grade | VVS 1      |
| Cut Grade     | EXCELLENT  |

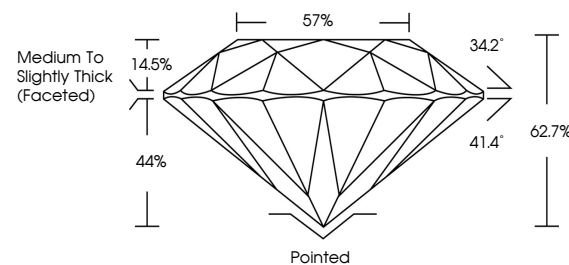

### ADDITIONAL GRADING INFORMATION

|                |                                                                                                 |
|----------------|-------------------------------------------------------------------------------------------------|
| Polish         | EXCELLENT                                                                                       |
| Symmetry       | EXCELLENT                                                                                       |
| Fluorescence   | NONE                                                                                            |
