## LABORATORY GROWN DIAMOND REPORT

|                         |                          |
|-------------------------|--------------------------|
| April 6, 2026           |                          |
| IGI Report Number       | LG778674871              |
| Description             | LABORATORY GROWN DIAMOND |
| Shape and Cutting Style | ROUND BRILLIANT          |
| Measurements            | 9.29 - 9.35 X 5.62 MM    |

## GRADING RESULTS

|               |             |
|---------------|-------------|
| Carat Weight  | 3.00 CARATS |
| Color Grade   | F           |
| Clarity Grade | VVS 2       |
| Cut Grade     | IDEAL       |

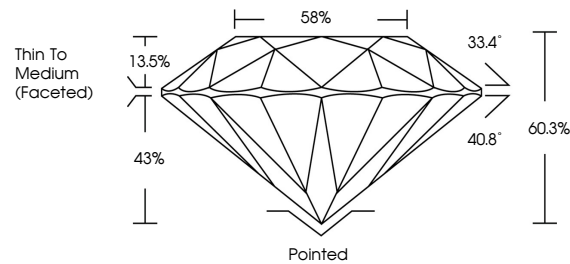

### ADDITIONAL GRADING INFORMATION

|                |                                                                                                 |
|----------------|-------------------------------------------------------------------------------------------------|
| Polish         | EXCELLENT                                                                                       |
