## LABORATORY GROWN DIAMOND REPORT

|                         |                          |
|-------------------------|--------------------------|
| August 10, 2026         |                          |
| IGI Report Number       | LG826607091              |
| Description             | LABORATORY GROWN DIAMOND |
| Shape and Cutting Style | OVAL BRILLIANT           |
| Measurements            | 11.61 X 7.67 X 4.71 MM   |

## GRADING RESULTS

|               |             |
|---------------|-------------|
| Carat Weight  | 2.60 CARATS |
| Color Grade   | E           |
| Clarity Grade | VVS 2       |

### ADDITIONAL GRADING INFORMATION

|                |                                                                                   |
|----------------|-----------------------------------------------------------------------------------|
| Polish         | EXCELLENT                                                                         |
| Symmetry       | EXCELLENT                                                                         |
| Fluorescence   | NONE                                                                              |
